Transfer Station Hours 835-2425
  Wednesday and Saturday 7:00 a.m. – 4:45 p.m.

Town Highway Garage 835-2428
DEDICATION

Samuel Sutcliffe

In Alstead, Sam served almost 20 years as a member of the Zoning Board of Adjustment and was on the newly formed Alstead Budget Committee. He was also involved in the Langdon Covered Bridge Association, the Cold River Advisory Committee and worked tirelessly with the Alstead Historical Society on Alstead’s 250th celebration.

His latest achievement was to help procure grant monies to conserve the proprietor’s book, the first clerk’s books, the charter and the second division map for the Alstead Historical Society and the town of Alstead. He was considered by many of his friends to be a true renaissance man.

<td>YES</td>
<td>NO</td>
</tr>
</tbody>
</table>
To see if the Town will vote to adopt the following resolutions:

**Whereas** nine nations together have over 14,000 nuclear weapons in their arsenals, most far more destructive than the two that killed hundreds of thousands in Japan in 1945;

**Whereas** detonation of even a small number of these weapons could have catastrophic human and environmental consequences affecting everyone on the planet;

**Whereas** the United States maintains hundreds of nuclear missiles in underground silos on hair-trigger alert, to be launched within minutes with great risk of an accidental, mistaken or unauthorized launch;

**Whereas** the United States reserves the right to use nuclear weapons first, making a nuclear war more likely;

**Whereas** the U.S. president has the sole and unchecked authority to order the use of nuclear weapons;

**Whereas** over the next 30 years, the United States plans to spend an estimated $1.7 trillion to replace its entire nuclear arsenal;

**Whereas** the United States, as well as Britain, China, France and Russia, are obligated under the Nuclear Non-Proliferation Treaty (NPT) to take concrete steps toward eliminating their nuclear arsenals;

We call upon the U.S. government to embrace the Treaty on the Prohibition of Nuclear Weapons and make global nuclear disarmament the centerpiece of our national security policy.

We call on the United States government to lead a global effort to prevent nuclear war by:
- renouncing the option of using nuclear weapons first
- ending the president’s sole, unchecked authority to launch a nuclear attack
- taking US nuclear weapons off hair-trigger alert
- cancelling the plan to replace its entire arsenal with enhanced weapons;
- actively pursuing a verifiable agreement among nuclear armed states to eliminate their nuclear arsenals

Alstead’s Board of Selectmen will send copies of this resolution with a record of its adoption to all members of our New Hampshire Congressional Delegation and to the President. (Submitted by petition.) (Majority Vote Required)
Proposed Budget
Alstead

For the period beginning January 1, 2019 and ending December 31, 2019
Form Due Date: 20 Days after the Annual Meeting

This form was posted with the warrant on: January 28, 2019

2018 Annual Report
2019 Warrant

To the inhabitants of the town of Alstead in the County of Cheshire in the state of New Hampshire qualified to vote in town affairs are hereby notified that the two phases of the Annual Town Meeting will be held as follows:

First Session of Annual Meeting (Deliberative Session):
Date: February 2, 2019
Time: 10:00
Location: Vilas Middle School

Second Session of Annual Meeting (Official Ballot Voting):
Date: March 12, 2019
Time: 8:00 a.m. to 7:00 p.m.
Location: Town Hall

GOVERNING BODY CERTIFICATION
We certify and attest that on or before January 28, 2019 a true and attested copy of this document was posted at the place of meeting and at Municipal Office and that an original was delivered to the Town Clerk.

Article 01: Election of Officers

To choose all necessary Town Officers for the ensuing year.

Article 02: Operating Budget

Shall the Town of Alstead raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling $1,630,969. Should this article be defeated, the default budget shall be $1,577,178, which is the same as last year, with certain adjustments required by previous action of the Town of Alstead or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. This article is recommended by the Board of Selectmen (3-0). (Majority Vote Required)
Article 03: Paving

To see if the Town will vote to raise and appropriate the sum of $57,652 for the purpose of paving roads with said funds to come from December 31 unassigned fund balance. This will be used to pave Hill Rd, Bell Hill. No amount to be raised by taxation. This article is recommended by the Board of Selectmen (3-0). (Majority Vote Required)

Article 04: To add to the Fire Department Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of $35,000 to be added to the Fire Department Capital Reserve Fund previously established in 1992. $35,000 to be raised from taxation. This article is recommended by the Board of Selectmen (3-0). (Majority Vote Required)

Article 05: To add to the Highway Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of $65,000 to be added to the Highway Capital Reserve Fund previously established in 1988. $65,000 is to be raised from taxation. This article is recommended by the Board of Selectmen (3-0). (Majority Vote Required)

Article 06: To add to the Bridge Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of $25,000 to be added to the Bridge Capital Reserve Fund previously established in 2012. $25,000 is to come from the fund balance. This article is recommended by the Board of Selectmen (3-0). (Majority Vote Required)

Article 07: Transfer Station Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of $5,000 to be added to the Transfer Station Capital Reserve Fund. The sum of $5,000 to be raised from taxation. This article is recommended by the Board of Selectmen (3-0). (Majority Vote Required)

Article 08: Re-roofing the Municipal Offices

To see if the Town will vote to appropriate the sum of $42,627 for the purpose of re-roofing the Municipal Offices with standing seam metal. Money to come from December 31, 2018 unassigned fund balance. No amount to be raised by taxation. This article is recommended by the Board of Selectmen (2-1). (Majority Vote Required)
Article 09: Library Repairs

To see if the Town will vote to raise and appropriate the sum of $105,600 for the purpose of masonry repair, foundation repair, pointing, and foundation drainage for the Shedd-Porter Memorial Library and to authorize the withdrawal of $60,000 from the Library Capital Reserve fund previously established in 2010 with the remainder of $45,600 to be raised by new taxation. This article is recommended by the Board of Selectmen (3-0). (Majority Vote Required)

Article 10: Fence for Pine Grove Cemetery

To see if the Town will vote to raise and appropriate the sum of $6,100 for the purpose of installing a new 4-foot woven high-tensile 12-1/2-gauge black wire fence. The sum of $6,100 to be raised from taxation. This article is not recommended by the Board of Selectmen (0-3). (Majority Vote Required)

Article 11: Permits for Culverts on Thayer Brook Rd and Pine Cliff

To see if the Town will vote to raise and appropriate the sum of $35,000 for the purpose of permits for culverts on Thayer Brook Rd and Pine Cliff. The sum of $35,000 to be raised from taxation. This article is recommended by the Board of Selectmen (3-0). (Majority Vote Required)

Article 12: “Call to Prevent Nuclear War” Resolution (Submitted by petition)

To see if the Town will vote to adopt the following resolutions:
Whereas nine nations together have over 14,000 nuclear weapons in their arsenals, most far more destructive than the two that killed hundreds of thousands in Japan in 1945;
Whereas detonation of even a small number of these weapons could have catastrophic human and environmental consequences affecting everyone on the planet;
Whereas the United States maintains hundreds of nuclear missiles in underground silos on hair-trigger alert, to be launched within minutes with great risk of an accidental, mistaken or unauthorized launch;
Whereas the United States reserves the right to use nuclear weapons first, making a nuclear war more likely;
Whereas the U.S. president has the sole and unchecked authority to order the use of nuclear weapons;
Whereas over the next 30 years, the United States plans to spend an estimated $1.7 trillion to replace its entire nuclear arsenal;
Whereas the United States, as well as Britain, China, France and Russia, are obligated under the Nuclear Non-Proliferation Treaty (NPT) to take concrete steps toward eliminating their nuclear arsenals;
We call upon the U.S. government to embrace the Treaty on the Prohibition of Nuclear Weapons and make global nuclear disarmament the centerpiece of our national security policy. We call on the United States government to lead a global effort to prevent nuclear war by:

- renouncing the option of using nuclear weapons first
- ending the president’s sole, unchecked authority to launch a nuclear attack
- taking US nuclear weapons off hair-trigger alert
- cancelling the plan to replace its entire arsenal with enhanced weapons;
- actively pursuing a verifiable agreement among nuclear armed states to eliminate their nuclear arsenals

Alstead’s Board of Selectmen will send copies of this resolution with a record of its adoption to all members of our New Hampshire Congressional Delegation and to the President. (Submitted by petition.) (Majority Vote Required)
Plenty to do this year, and we got on it early. Prescott Trafton was hired in April to be our Road Agent from a list of many qualified applicants. The delinquent tax list was reviewed and the list approved to be sent out for property tax liens. This newly revived policy although unpleasant has produced an increase in collections for the town. The future status of the unofficial budget committee was reviewed and decided on, but most importantly the roll-out of our new office software was implemented and successfully integrated into the daily routine of the payroll and budget activities. This was no easy task, requiring double entries into the old Muni-Smart and new QuickBooks programs so that the transition is seamless.

In the spring we identified several properties acquired by the town thru prior year tax sales and moved to sell two, one on the Gilsum Mine Road which is still for sale and one on Newell Pond which we sold this fall for $100,000. We put a new water system in the East Alstead fire station, repaired the break in the police communication tower power line, and sold ($2,600) some unneeded highway equipment on an online auction.

In the fall we moved into high gear, we removed some trees at Vilas Pool dam as requested by the State in their letter of deficiency, drilled the well deeper at the highway garage so they will have water to wash the salt off their trucks, and painted the salt shed roof in hopes of extending the life of that.

We gave each employee a proper department review and all department heads were reviewed by the board. It was decided not to replace Randy when he left but to increase our part time employee list which resulted in three new hires for the highway. The Select Boards office staff was reduced by one part time employee and one part time position was filled at the transfer station. We supported the immediate ($38,500) repairs to the Library roof, held our tax auction ($15,000), approved a fee policy for renting out the Town hall and repaired the bushings in the town backhoe.

Still in progress are the Drewsville bridge designs and approvals, the town administration roof replacement, town hall upgrade, and last but not least the Local Emergency Operation Plan (LEOP) which our newly appointed Emergency Management Director Brian Hughes is orchestrating to its final completion.

Respectfully Submitted,
The Alstead Board of Selectmen

Tim Noonan
Alan Dustin
Rock Wilson
We have been improving procedures for Alstead residents.

We now take Boat registrations! We changed in November to allow credit cards and debit cards to be taken for auto registrations and dog licenses in the office as well as on-line! We have added a scanner to scan your old registrations and speed up entry time, please note that bringing in your old registration is required by state law. The new software that we changed to in January is faster and the support is phenomenal.

It will soon be time to renew your dog licenses for 2019. The 2018 license will expire on April 30th. Beginning June 1st, a $1.00 per month late fee is assessed. Please note that Dog Licensing is State Law required.

There is the option of renewing your registration and/or dog license on the Internet. To do this, go to the Town Clerk section on the website, scroll down and select the appropriate icon and follow the step-by-step instructions.

Please be sure to either make out your check to the Town of Alstead for vehicle registration and print out the confirmation or pay the Town by ACH or Credit Card. If paying by check, mail the confirmation in with your check and keep a copy for yourself until you receive your registration in the mail. You are able to renew your registrations up to four months in advance. If you do not have a computer and would like to access the Internet for these services, you could go to the library. As always, if you wish to do these in person, we are here for you.

Property Taxes are also payable on-line by either ACH or Credit Card.

For those unable to pay all their taxes at once please note that any payment even if not the full amount due will reduce the interest to be paid.

We want to take the opportunity to list some of the services available at this office for those of you that may be new in town. We are responsible for registering and titling vehicles; collecting all taxes. We complete marriage license applications, process birth, marriage and death certificates, file wetland permit applications, pole licenses and dog licenses. We accept voter registration forms, mail absentee ballots, prepare the town ballot and administer the oath of office to any newly elected or appointed Town Official. There is more detailed information as well as various printable forms on the Town Clerk section of the website at www.alstead.nh.org.
The office hours are Monday and Thursday from 8:00 p.m. to 4:00 p.m., Wednesday from 8:00 a.m. to 9:00 a.m., and Tuesday from 1:00 to 7:00 p.m. unless posted otherwise. If we close the office during these hours, we will post this information ahead of time at the town office and on the Town Clerk section of the website.

For everyone’s safety, the office may be closed during inclement weather, if you are unsure or have any questions, please call the office at 835-2242.

Respectfully submitted,

Trish Anderson

On April 9, 2018 I joined the Alstead Highway Dept. I would like to thank everyone for their support and warm welcome.

Old man winter did not want to let go last year. On April 7th we got six inches of snow in East Alstead, and on April 9th another half inch. Snow, sleet, and freezing rain along with high winds on the afternoon of April 16th that took down trees and limbs all around town. This was the last grasp of old man winter!

It was a short, busy, spring getting plows put up, street sweeping, straightening street signs, cleaning off bridges and cleaning up downed tree limbs from winters grasp.

The town was lucky that the tornado that hit Langdon and Acworth on May 4th just slightly clipped us leaving trees down on Cobb Hill, Pine Cliff Rd. and Gilsum Mine Rd. The second half of May was spent clearing debris from Vilas Pool and opening the dam gate.

On June 5th we started replacing culverts on Hill Rd. We replaced a total of four catch basins and ten culverts. All of the culverts were close to failing or had already failed. The upper part of Hill Rd. was ditched and trees trimmed back to the right of way. June 21st we were able to base in all the culverts with pavement, including two pipes that were replaced on Drewsville Rd. and Homestead Rd.

Springfield Paving completed paving on Hill Rd. July 10th putting out a total of 2,695 tons of hot top for a total of $140,975.18 out of the $175,000 that was voted on at town meeting. We then moved our focus to the rough section known as Bell Hill on Hill Rd. Arlington Paving came in and ground the 1000’ of road, turning it back to dirt. We were hoping to get it paved by the end of the year. Unfortunately, due to all the rain and cold weather we had in the fall this wasn’t able to happen.

I would like to thank David, Kim, Randy, Brad, Dominic, and Hans for their hard work this year.

Respectfully Submitted,

Prescott Trafton
Director of Public Works

**Note #1:** The costs listed in this table are current and do not include any adjustments that may be necessary for inflation.

**Note #2:** Replacement dates are for broad planning purposes only and are not indicative of automatic replacement. As with all major equipment replacements, the condition of the equipment and the ongoing maintenance costs will need a thorough review and analysis before the Selectmen can determine the practicality of extending the current estimated life beyond the life expectancy listed.

**Note #3:** Use of capital reserve funds for lease payments will require equipment leases to be structured as capital leases without escape clauses.

**Note #4:** Multi-year lease payments are based on 5 years for trucks and 7-10 years for equipment.

**Note #5:** **No replacement planned**

Note #1: The costs listed in this table are current and do not include any adjustments that may be necessary for inflation.
2018 was a busy, but good year for our department. We were able to increase our daily coverage hours which in turn reduced the amount of time that the New Hampshire State Police covered Alstead. This was possible due to me being on the road full time and Corporal Howard and I overlapping our schedules significantly less than in 2017. A goal for our department is to continually work towards reducing reliance on the state police. To that end we are hoping to grow in 2019 with the possibility of hiring a part-time police officer to cover 10 to 20 additional hours a week. Ultimately, we will provide as much professional service to our residents as staffing and budget allow.

Corporal Adam Howard, Detective Bob Bromley, Office Administrator Penny Gendron and I answered 689 calls for service in 2018 (398 in 2017). Some of these calls involved Neighbor Disputes, Scams & Fraudulent Activities, Arrests, Criminal and other Incidents requiring investigation, traffic enforcement and assisting the public in a myriad of different ways. The past few years our department has seen several personnel changes, however 2018 was a year of staffing stability which created an environment that encouraged us to become a closer, stronger working team. I am very proud of all that we have been able to accomplish in a relatively short period of time.

In keeping up with the concept of modern policing and continuing to provide the most well-trained department possible, we have all participated in mandatory as well as elective training throughout the year. Detective Bromley remains committed to our department. He stays current on training with us and Walpole PD and often takes elective courses throughout the year. Bob continues to be a valuable asset to us and has responded to assist with cases that are time intensive and require a lot of further investigation or follow up.

Corporal Howard has attended multiple additional training courses this year. These included Field Training Officer (FTO), Basic Police Prosecutor, Investigating Child Abuse, Forensic Psychology, and Clandestine Laboratories Investigation. He continues to work closely in the schools with the faculty, staff and students. Whenever possible Adam walks through the schools. He enjoys the interactions and bonds he creates with everyone, especially the students. He eats lunch with them as often as he can and attends various school events throughout the year. His career has begun to focus on juvenile matters and his future training will be directed towards juvenile concerns. Adam is also pursuing an Associate’s Degree in Criminal Justice on his own time.
Office Administrator Gendron has attended several trainings including National Incident Based Reporting System (NIBRS) compliance. She coordinated “Right to Know” training in July for us and other Cheshire County departments. It is critical that releasing information to the public from police departments be completed correctly. In addition to training Penny worked with the Parent’s Group at the Alstead Primary School to facilitate a bike helmet safety program where our department was able to properly fit and give away over 30 helmets to children in our community. Penny is working on a project entitled “A History of the Modern Police Department in Alstead NH 1957-2018”. This is an informative synopsis of how it started and the progression from the bare bones minimum of using personal vehicles for patrol with a barely there budget, to the modern well-trained department of today. When it is complete, we will have copies available and post a link on our website.

I became a NH Certified Firearms Instructor and completed field training with the Walpole Police Department. There was an identified need in the area for training in the schools for all hazards, but particularly if there is a threat to a school. Lt. Sanctuary from Walpole PD and I became ALICE (Alert, Lockdown, Inform, Counter, Evacuate) instructors. These are option-based tactics, which have become the accepted response, versus the traditional “lockdown only” approach. This need led to the Fall Mountain District reaching out to Alstead, Walpole, Charlestown, Langdon and State Police Departments to form a cooperative unit. This unit made up of an officer from each area, went to every school in the district to provide training to the faculty and staff. This training is the first step in getting everyone on the same page, so when there is an event, there will be a smoother, safer response. This initiative has been well received throughout the district.

Adam and I are now both certified in less lethal shotgun (bean bag rounds). This will serve as another use of force option in our tool box to potentially end violent encounters without resorting to deadly force, as the situation allows. Additionally, we attended a training on Fentanyl and its derivatives. This was an interesting and eye-opening presentation that will help keep us from coming into contact with this deadly narcotic.

Our area of New Hampshire is made up of many small, wonderful communities with varying sizes of police departments. Our department has started regularly training with other area departments like Marlow, Charlestown, Walpole and Langdon to help each other maintain required yearly police standards as well as other additional training. All of these cooperative efforts help form bonds and promote team work that will keep us as well as the community safer.
It has been a pleasure for me this past year and a half to get to know the citizens of Alstead. Some of you I met through calls for service to your residences, others have stopped by the station for various reasons or just to say “Hi”. As time goes on, I look forward to getting to know the community and you more personally. The support from the community given to our department is wonderful and exciting. Thank you all for this continued support and I am happy to be here. Thank you again.

Respectfully submitted,

Stephen D. Murrell
Chief of Police
2018 was a very busy for the Fire Department with a 15% increase in calls. These calls ran the gamut of everything from structure fires to subjects stuck in an elevator. It was a very quiet year through the entire state regarding brush and forest fires. We had one call in town and no mutual aid calls for them. We were fortunate in acquiring newer air packs which are slightly newer than the ones we had. These were donated by the Monmouth Maine Fire Department. In return we are in the process of donating our older air packs to neighboring departments. One of the high points of in-house training this year was hiring a local instructor to teach a pump class specifically designed for our new engine. Surry also attended this class and helped pay for it.

The Alstead Fire Department Apparatus is listed below followed by where it is housed:

**Engine 1**
- Manufactured in 2016-HME Ahrens-Fox-1000 gallons of water with a 1500 gpm pump. It is housed at the Village Station.

**Engine 3**
- Manufactured in 2000-Pierce-1000 gallons of water with a 1250 gpm pump. This apparatus also carries hand tools, hose and equipment. It is housed in the East Station.

**Tanker 1**
- Manufactured in 2007-International Chassis; body by Valley Fire Equipment. It carries 3000 gallons of water with a 500 gpm pump. It is housed in the East Station.

**Brush 1**
- Manufactured in 1967-Jeep M715 (military 5/4 pick-up). Carries 200 gallons of water. This brush truck also carries assorted forestry hand tools and back pack pumps. Brush 1 is on loan from the State of New Hampshire Division of Forest and Lands to the Alstead Fire Department. It is insured and maintained by the town and registered by the state. This truck is housed in the East Station.

Training for our members included the following:
- Monthly Meetings - 12
- Monthly Drills - 11
- Surviving Thermal Insult
- Forestry Training
- EMT Refresher
- Warden and Deputy Training
- Driver Training
- All Hazards Drill @ Vilas School
- Motor Pump Operator Class
- Propane Awareness
- Self Contained Breathing Apparatus
Car Fire Training
Extrication Class with Langdon

The following is a list of calls Alstead Fire Department responded to:

Mutual Aid - 24
Motor Vehicle Accidents - 14
Assist the Ambulance - 6
Trees and Wires - 18
Smoke Investigations - 7
Automatic Fire Alarms - 5
Carbon Monoxide Alarms - 7
Chimney Fires - 3
Structure Fires - 3
Odor Investigations - 2
Electrical Problems - 1
Brush Fires - 1
Illegal Burns - 1
Car Fires - 1
Electrical Fires - 1
Cat Shock - 1
Landing Zones - 1
Water Rescue - 1
Grill Fire - 1
Subjects stuck in elevator - 1

We would like to remind Alstead residents that if you do not have visible numbers on your house, it could result in a delay in our arrival, so please put your numbers up where they are visible from the road. If we cannot find your house numbers, we cannot find you.

We would like to remind residents that with no snow cover (100’ radius) permits are required to burn clean and untreated brush, under 5” in diameter only. You may contact one of the following people to obtain a permit:

Kim Kercewich - 835-2928
Michael Kercewich - 499-5650

You may also check at the Highway Barn during normal working hours if Kim is there or at the Transfer Station on Wednesday or Saturday if Jodi is there.

It is also possible to obtain an electronic permit online at www.nhdfl.org and click on Fire Control and Law Enforcement and then click on Fire Permits. There is a $3.00 charge for the electronic permit.
I would like to thank the members of the Alstead Fire Department for their dedication and service in the Town of Alstead. We are always looking for new members to enlarge our roster and anyone wishing to join our department may contact myself or one of our members or stop in at the Alstead Municipal Office for information and an application.

Respectfully submitted,

Kim J. Kercewich
Chief, Alstead Fire Department
2018 Annual Report
Ambulance Squad

Last year was our busiest year to date. I would like to take this opportunity to thank all of our personnel for their dedication! I would also like to remind the general public that we are always looking for new volunteers. We meet on the 3rd Wednesday of the month at 6:30 at the Village Fire Station.

I’d like to thank the Alstead Fire Department, Alstead Highway Department, Walpole Fire EMS, and R.J. Diluzio Ambulance Service for their continuing support and assistance throughout the year. In addition, I would also like to thank the town and local businesses who support us and our members every day.

I would urge all community members to learn CPR and if they have any questions, they can contact the Town Office or myself and we will find a class for you to attend.

Last year we worked on streamlining our reimbursement through insurance billing. We were successful in doing this and none of this would have been possible without our Town Office staff and the dedication of Mary Ann Wolf. We are striving to provide the best possible care for the lowest tax impact to the taxpayer.

As always, our goal is the health and well-being of our community. If you have any questions or concerns about health and well-being, we are available 24/7 365. In an emergency dial 911 and if you have non-emergent questions, or would like training in health-related emergencies contact myself or the Town Office.

I hope everyone has a safe and happy New Year, and thank you all again!

Respectfully submitted,

Jesse L. Moore
Chief, Alstead Ambulance Department
There has not been a lot of activity with the Office of Emergency Management in Alstead. Chris Rietmann began the year as the incumbent EM Director, and in April, I was appointed as the Deputy EM Director. Chris began the process of updating the town Local Emergency Operations Plan by conferring with town officials and having bi-weekly meetings to review the old plan and replace language to reflect current practices. The Local Emergency Operations Plan is designed to be the primary guide to disaster management and response for the town. Ideally, this plan should be updated at least every two years to keep it current. The current plan had not been updated since 2008. The going was slow, and unfortunately, Chris resigned his post mid-year.

I was appointed the EM Director by the board in August 2018. The board also appointed Darren Perlongo of Cobb Hill as the Deputy EM Director in September.

In order to kick start the LEOP update process, an outside vendor that specializes in assisting municipalities in updating their LEOP’s was hired to assist in the process here in Alstead. A grant specifically designed for such LEOP Updates was applied for, and received from, the NH Homeland Security and Emergency Management Department. This process was begun in October 2018, and is currently underway. With a copy of the old plan, we are updating our LEOP to meet the current New Hampshire standards for LEOP’s. This is a laborious and time-consuming process. To that end, an update committee was formed and volunteers their time to assist in getting the plan updated. The update is expected to be completed by April 2019.

I would like to thank the members of the update committee for their efforts in bringing the plan up to date. The committee members are:

Brian Hughes, Darren Perlongo, Steven Murrell, Kim Kercewich, Jesse Moore, Prescott Trafton, Michael Jasmin, Charlotte Comeau, Carol Reller, and Ed Reller.

The current focus is on completion of the LEOP.

Once that is complete there are plans to attempt to gain citizen participation in a Community Emergency Response Team (CERT). The town website already has information on this and a link for citizens to contact if they are interested in becoming a part of this local emergency resource.
Looking beyond into mid-2019, I would like to schedule some Emergency Management exercises for the town, starting with table-top exercises and progressing to operational exercises that will improve the town’s ability to respond to emergencies using the All-Hazards approach.

Respectfully submitted,

Brian Hughes
Emergency Management Director
The Alstead Planning Board held fourteen meetings this past year. Overall, it was another relatively quiet year for the Board, which allowed for time to continue to update forms as needed. They received two Subdivision requests, both of which were approved; and held one Public Hearing concerning tree cutting along a Scenic Road, which was also approved. The Board had a few preconceptual visits from citizens with questions, and held one joint meeting with the Zoning Board of Adjustment in September to discuss Zoning Ordinance amendments.

The regular meeting of the Alstead Planning Board is held on the second Monday of each month at the Alstead Municipal Building at 7:00PM. Work meetings are scheduled, as needed, on the fourth Monday of the month. Anyone interested in participating is welcome.

The Board welcomed a new Alternate Member – Joe Levesque.

There is still an opening for an Alternate Member. If interested, please contact any Member of the Planning Board, or Members of the Select Board, for more information. We would welcome your participation and input!

Respectfully submitted,

Melanie Marsden, Administrative Assistant

The Zoning Board of Adjustment had a very quiet year. They had eleven meetings, but there were no Public Hearings held at all. The Zoning Board did hold a joint meeting with the Planning Board in September to discuss proposed amendments to the Zoning Ordinance.

The Board was very sad to lose one of their Members, and an active Member of our community, Samuel Sutcliffe, in December. He, and all his contributions and service to our town, will be dearly missed.

The Board is currently operating with only 3 Full Members, and two Alternate Members. A full Board consists of 5 Members and up to three Alternate Members. Your participation is truly needed! Please consider getting involved!!!! Any citizen interested in becoming a Member is encouraged to contact any Member of the Zoning Board of Adjustment, a Member of the Select Board, or the Town Clerk.

The ZBA meets the first Monday of each month at 7:30PM, at the Alstead Municipal Building. The public is always welcome.

Respectfully submitted,

Melanie Marsden, Administrative Assistant

Dennis Molesky, Chairman
Joseph Cartwright, Vice Chairman
Kevin Clark, Member
Hans Waldmann, Alternate Member
David Konesko, Alternate Member
The commission’s big focus this year was a wetlands evaluation for the Town of Alstead by Jeffry Littleton of Moosewood Ecological LLC in Chesterfield, NH. He started the project with a program for the public, Wetlands Wandering, at the Shedd-Porter Library in February 2018. The commission followed up by sending letters of permission to property owners for Jeff to visit any wetlands on their property. During the summer, Jeff and an intern from Antioch NE Graduate School reviewed the wetlands allowed by property owners. Other wetlands were viewed from the roadside, totaling 138 wetlands in all. Jeff gave a follow-up presentation at the library in October.

The Conservation Commission is looking forward to further wetlands evaluation by Jeff to complement and finish the current report in 2019. Here are the reasons the commission is having this evaluation done for Alstead:

- water quality maintenance, flood control, wildlife and fisheries habitats, drinking water sources, visual quality and aesthetics, rare and endangered species habitat, groundwater recharge and discharge, shoreline stabilization, and educational and scientific value.

Vilas School celebrated Arbor Day on April 20, 2018. Prior to the celebration, three events were held for the 5th grade: a poster contest based on the theme, "My Favorite Tree and Why," a program by a commissioner and invited guest to help students gather information for their posters, and a field trip to coordinate with the current theme. Unfortunately, a field trip to Distant Hill Gardens was cancelled due to the weather.

Poster winners for 2018 were:
1. Maxwell Manley
2. Reign Shepa
3. Anneliese Kenyon

The weather was better for Earth Day Cleanup on April 21, 2018. Twenty-plus people (probably more) cleaned up portions of their roads, some up to five miles. Thank you for getting out there. A big "Thank you" to the Alstead road crew for picking up the blue bags!

All conservation easements were monitored by commission members in November 2018. These properties are in good order.

The commission was pleased to be able to donate $500.00 to the Orchard School Scholarship for Alstead children to attend the summer program at the Orchard School and Community Center on Old Settlers Road.
We live in a beautiful and lively town, fueled by a diverse population of hard-working and creative people. The Conservation Commission is proud to be a part of it.

We need new members. You are welcome to contact Charlotte Comeau at the Town Office about this.

Thank you, all.

2018 Annual Report
Cemetery Commission

As shown by the photo with this report, the stonewall rebuild at Slade Cemetery was completed. Another great project by Scott Taylor, stone mason.

Scott Taylor is continuing to rebuild the perimeter stonewalls at North Cemetery. Ann DeLancy, an abutter to North Cemetery, has donated monies for this project. We would like to thank Stanley Kmiec for stones that he has donated to this project. The large pine tree that overhangs and threatens many grave markers was not removed as planned in 2018 because Phil’s Tree Service of Keene was overwhelmed with crane work from the severe wind damage the Monadnock area experienced last summer.

An outstanding effort by Jodi Kercewich and Shaena Hakey in maintaining the town cemeteries in 2018 did not go unnoticed, as we received many nice compliments from folks that noticed.

Rust Cemetery, our smallest and most remote, is in need of some much-needed care and we intend to make this an early summer project.

The wire fence along the road at Pine Grove Cemetery is in terrible condition and needs to be replaced. We obtained two bids to perform this work and you will find an article on this year’s warrant to raise money to accomplish this project.

We would like to thank William and Jean Rhoades for the wonderful job they have done for the many, many years in maintaining the Alstead Center Cemetery.

Respectfully submitted,

Alstead Cemetery Committee

2018 Annual Report  
Trustees of Trust Funds

We experienced a good year with our funds invested with bearing point wealth partners in 2018.

$3,990.73 of income went to the library from The Whitton Endowment and three other small trust funds.

$13,387.48 of income from cemetery trust funds were transferred to the town to help defray cemetery maintenance expenses for 2018.

New Funds established in 2018:

2018 was a year of transition at The Shedd-Porter Memorial Library. My name is Alyson Montgomery, and it is both an honor and a privilege to be your new Director. I’ve enjoyed getting to know patrons, and have been thrilled to work in this beautiful, vibrant library!

Despite transitions and necessary building upgrades such as the restoration of the library steps, our circulation remained robust. Many patrons are using New Hampshire Downloadables (sometimes known as Overdrive), a free service that allows patrons to borrow digital content like ebooks and audiobooks. In fact, our Overdrive circulation increased by 6.5% over 2017!

We have been busy at the library! During 2018, we:

- Circulated 15,490 items. This marks a 65% increase in our circulation since 2010, a year in which the library circulated 10,039 items.
- Added 846 items to the shelves.
- Enjoyed 8,232 patron visits.
- Welcomed 75 new patrons.
- Provided computer access to 932 visitors
- Utilized the state interlibrary loan network to borrow 858 items from other libraries and to loan 482 of our books to libraries across the state.

We were supported by members of the community in many ways, and I am so very grateful.

- Jeff Smull was a huge help to the library by working during the transition period before I began work at Shedd-Porter.
- Volunteers of all ages gave freely of their time in 2018 - working 200+ hours for the library. Regular volunteers from Fall Mountain Regional High School, as well as Cynthia Phippen and Margaret Perry were immensely helpful. We could not do it without you!
- An anonymous donor provided funds for a subscription to the New York Times.
- I am grateful to members of Marion K. Holmes’ family for their continued support of the Summer Reading Club.
- We received several monetary donations from patrons. All tax-deductible donations are used to purchase new materials and/or to support our programming budget.
In 2018, we hosted many events, often presented by local volunteers. To name a few:

- A Tree Identification program run by the Student Conservation Association volunteer rangers.
- An art show “The Matisse Challenge” and reception organized by Nicole Telaar.
- Presentations by Jeff Littleton about his Alstead Wetlands Evaluation – co-hosted by the Alstead Conservation Commission.
- Cinnamon Bun Saturday is always on the final Saturday of each month. This is a great chance to catch up with neighbors or meet someone new! Come enjoy coffee, conversation, and sublime cinnamon buns. Everyone is welcome!
- Civil Conversations are on the third Saturday of each month, moderated by Joel McCarty.

The library was a busy place for local children in 2018. We were pleased to offer:

- Storytimes at Alstead Primary School and Sarah Porter School.
- Weekly Storytime at the library with Jessi Dussault – Fridays at 3:30, September through June
- 1,000 Books Before Kindergarten – we offer ongoing enrollment to promote early literacy
- Frankentoys – a storytime STEM activity
- Wildlife Encounters – Summer Reading kickoff event
- A visit from Adam Howard of the Alstead Police Department and Mario Checci of the Bellows Falls Police Department, along with Mario’s K9 partner, Caesar. We were thrilled to learn what it takes to become a police dog, what Caesar’s job entails, and we got to see a demonstration!
- “Treasure Island” presented by The Hampstead Stage Company.
- Betsy Stacey, of our Cold River Local Advisory Board led A River Exploration. What a fun, hands-on way to learn about our river – complete with some precipitation from above at the end!
- Summer readers were fascinated by an exploration of rocks and gems with Dick Holmes.
- Marion K. Holmes Summer Reading Club – 58 children tracked their summer reading at the library. 1,287 books were read by those that tracked books, and 5,910 minutes were read by those that tracked minutes read. Marvelous!
- An Ice Cream Party to celebrate all the reading done over the summer.
- A Scarecrow Party in October provided fun decoration for the front of the library.
- We made Gingerbread Houses in December. I am grateful to Gendron Fisher Auto and Griffin Construction for making this yummy tradition a success.
There will be new and exciting things in the library in 2019! For example, we will be starting a book club for children ages 7-9 led by Jessi Dussault, as well as expanding our digital resources. I’m happy to report that we have added Ancestry.com already! Come to the library on the 1st or 3rd Thursday of the month for tutorials by Sharon Phennah. Thank you, Sharon!

I would like to thank especially assistant librarians Gaale Klein and Jessi Dussault – I am so very glad to have you both as teammates. Laura LaMears takes wonderful care of our building – thank you Laura! Our library trustees: Matt Saxton, Susan Norlander, Karn McShane, Jeff Smull, and Heather Jasmin devote countless hours to the support and governance of the library. The Shedd-Porter Library is so fortunate to have them as stewards of this thriving community resource.

I look forward to seeing you at the library in 2019!

Respectfully submitted,

Alyson Montgomery, Director

Respectively Submitted,

Karn McShane, Treasurer SPML
2018 Annual Report
Shedd-Porter Library Board of Trustees

It has been a busy year at the library!

Looking back on all that happened from this distance makes it easier to forget the uncertainty and upset stomachs that accompany big changes.

The Board of Trustees--the same group as last year---worked together well and thoughtfully through 2018. We are:

Matt Saxton, Chair
Karn McShane, Treasurer
Heather Jasmin, Secretary
Jeff Smull, Asst. Treasurer
Susan Norlander, Vice-Chair and Asst. Secretary

Early in the year we learned that our wonderful Librarian Shelli Huntley had been offered the marvelous opportunity to become a Media Specialist at Keene Middle School. We were thrilled for her, and shuddered for the fear of not finding her equal in a replacement.

We advertised the vacancy and had 11 applications, some from far away. Interviewing the three most qualified, we decided to offer the position to Alyson Montgomery, and were excited when she agreed to join us at Shedd-Porter! We are unanimous in our enthusiasm for her, now part of the family.

The Granite steps project started on time and finished on time, with a minimum of disturbance to the operation of the library, which was closed for only 12 days.

Alyson, Gaale, and Jessi offered curb-side service when it made things easier, and were chipper throughout a time with workmen busy as bees traipsing through the downstairs to get to and from the hole that gave access to the underneath of the stairs.

If you drove by the Library while the work was happening and didn't see anyone working, you now know that the work was done mostly from the bottom side.

And don't the steps look great?

Our next concern was the peeling paint in the interior staircases, a problem which got suddenly much worse in the wet second half of summer. We hired a building consultant whose report pointed to moisture coming into the building from up, down, and sideways. And later in the fall an old leak in the roof, which had damaged the ceiling years ago, began dripping again.
We Trustees, in cooperation with the Selectmen, have accepted the proposal from the contractor to solve the moisture problems in this year, 2019. He, this fall, made some temporary repairs to the roof to get us through the winter.

There is an Article on this year's Warrant to pay for the moisture project. The Article will remove $60,000, all but a bit of the money in the capital reserve account for the Library, and raise some more, $45,600, by taxation. We are pleased to have the support of the Selectmen for this work on this important building.

As Fall came on and it got dark earlier and earlier, we leaned on the project to get the globe lights on the library steps rewired, and working again. John Allen came to their rescue again. Thanks John!

We thank Joe Levesque for his continued work in preparing a grant for the library which will lay the groundwork for possibly other, bigger, grants in the future.

Along this line, we have met with a representative of the New Hampshire Preservation Alliance to discuss what money might be found through L-Chip, and foundations that are interested in public architecture. Good Luck to us, we hope.

The Library is supported by many volunteers, and we are glad the place inspires altruism. We thank you all!

The programs, and the books and materials, are partly supported by financial gifts--some large, many small-- all of which are very much appreciated. These gifts are well and carefully spent, and 100% of them goes to the intended purpose. Thank you, Benefactors!

We know how important the Library is to our community because we continue to see an increase in Library visits, circulation, and requests for service. Ours is a needed and valued Library.

Be sure to read Alyson's Librarian's Report for much more information about what goes on at our Library.

As written in the Sentinel last December 30th, our Alstead library is recognized as one of the finest buildings in the State. With the continuing support of you, the voters, who are the true owners of this wonderful structure, this gem in the heart of Town will maintain its regal standing.

Remember our two monthly events to which everyone is welcome:
Civil Conversation is the third Saturday of every month—a reasonable, calmly presented discussion of politics and policy. 9:30 - 11am

And

Cinnamon Bun Saturday is the last Saturday of every month—friendly discussion of gardens and grandchildren (and marvelous cinnamon buns, $4). 9am -12.

Drop-in and drop-out, or stay a while!

See you at the Library!

Your Trustees,

Matt Saxton
Karn Mc Shane
Heather Jasmin
Jeff Smull
Susan Norlander
2018 Annual Report
Historical Society

2018 was a very productive year for our work to preserve the history of Alstead. Under the direction of our editor, Peg Sutcliffe, we commenced the publishing of a quarterly newsletter. The “Alstead Vintage Times” had four issues in 2018 and was eagerly received by the citizens of Alstead. 350 to 400 copies were picked up at each printing. They are available to pick up at the Alstead General Store, town office, library, Country Craft store, and the 2nd and 3rd Congregational churches.

The society had a special display of “Old Toys and Parlor Games” set up at the museum this summer. Margaret Bost, Don and Barbara Porter, Ann White, Margaret Perry, Ellen Chase, Marie Harling and Bruce Bellows loaned toys and games to add to those of the historical society to make this a wonderful presentation. We were glad to have many people stop in to enjoy this display and tour the museum.

The society sponsored two Humanities to Go programs in 2018. In April it was “Covered Bridges of New Hampshire” by Glen Knoblock, and in July it was “New England Quilts and the Stories They Tell” by Pam Weeks. In October, we sponsored “Books and Paper: Old, Rare and Occasionally Well Done” by Frank Wood. All programs were very well attended with an enthusiastic 57 at the quilt program.

This was an above average year for donations of items to our museum. We received items from the Batchelder family, the Chase family, Margaret Bost, Barbara and Don Porter, the Trow farm, Marie Harling, Harry LaSalle, Edith Crosby, and a Mr. and Mrs. Barney from just outside Philadelphia, PA. The Barney’s drove up to Alstead to present us with the cradle and highchair that was used by Nathaniel Vilas for all of his twenty children. They also gave an 1839 shelf clock, photos, silver serving tray from Charles Vilas’s 5th Avenue Hotel in New York City, and numerous other items. Mr. Barney’s great grandfather married Cyrus Vilas’s daughter. We wish to thank everyone, including those I may have overlooked in writing this report, for their donations to the museum. We will endeavor to do everything within our means to care for, protect, and make available to view all these items entrusted to our care.

Sam Sutcliffe again donated his time to help secure a Moose Plate Grant in the amount of $8,307 to conserve the Town Charter, Plat Map of 1777 and Book C of town records from 1785-1815. These items are now at Works on Paper in Bellows Falls, VT in the process of being conserved.

We welcome new members to the Alstead Historical Society. New folks with new ideas are what will keep this organization vibrant in the future.
Take a few minutes in 2019 to visit the museum and enjoy all the items on display that help to tell the past history of our town.

Respectfully submitted,

Bruce A. Bellows
President
The Vilas Pool Committee is very happy to report another very successful Season in 2018. Thanks again to all our dedicated volunteers & staff who assisted with the daunting task of Spring clean-up in early June.

Vilas Pool committee would like to thank the Seasons Park Host, Jennifer Wilder & staff, Jacob Lord, Lindsey Yeatman, Tess Marsden and Kaleb Trafton for their hard work & dedication to Vilas Pool & the community. The Park Host & their assistants took on many projects for the Season in our continuing efforts to improving the Park. Again, the committee would like to give a special shout out to David Young for his continued service of Volunteering at the Park and donating the beautiful geranium garden he set up around the flag pool which was restored last year. Such a delight to see when one enters the Park! Thank you, David & all Vilas pool Staff! Your extra Love and dedication to the Park is remarkable!

Girl Scouts & Boy Scouts held a weekend Jamboree, enjoyed by all. The elementary school children joined us again for their end of year play-day, they enjoyed the Vilas Pool Clown & ice cream social, they had a great time, such a delight having the school children return to the Park for their end of school fun day. Thank you, Linda Hanatow, for coordinating this with the Park so the kids can once again come to Vilas Pool! Vilas Pool day was a huge success with the Nostalgic Snack Shack, face painting, Animal Show, numerous local Venders, ringing of the Bell Chimes and boating were all very popular that day, as well as many family picnics throughout the grounds. Thank you everyone who assisted in making this a special Community event for so many to enjoy! The Nostalgic Snack Shack was open a few days a week serving delicious food & served by Ken & Linda Thompson, who also joined the Vilas Pool Committee, we look forward to working closer with Ken and Linda! Thank You!

Children and Adult Yoga with Elizabeth Burnell was popular as well as Zumba with Ajlan LaRock. The Community Worship Service & Pot Luck was a full house enjoyed by everyone, thanks to our Community churches for providing such a fun service! The Park was the host to many weddings as well as numerous birthday/family events, bridal and baby showers, several memorials, Vilas High School reunion and Fall Mountain class reunions, so many families made memories that will last them a lifetime.

Monadnock Arts paint night continued once a month throughout the Season and enjoyed by so many. Many families enjoyed camping throughout the Season.
The Season ended with the 6th Annual Vilas Pool Music Festival and fireworks that were shot off over the Pool, enjoyed by so many. Thanks to John Pasquarelli for his hard work & efforts in assisting us in making this event so successful. Thanks to all the Musicians and Vendor's who made it a special day for so many to enjoy. A special thanks to Jessie Moore & Glen Moore for overseeing the firework display ensuring safety for all.

Vilas Pool is such a valuable asset to our community, how lucky we are to have this spot in our back yards.

The Committee would like to thank everyone who helped make 2018 such a successful year and look forward to many more exciting years ahead.

We would like to thank the Alstead Selectman and The Alstead Police department for your continued support as well as all our supporters, and a special thanks to all those who donated. Without everyone working together as a team to make Vilas Pool a fun community spot, this wonderful Historic spot would not survive the times.

Respectfully submitted,

Syrene Porter, Secretary

Committee members: Bobbie Wilson, Chairman, John Parrott, Ken & Linda Thompson
THE COLD RIVER LOCAL ADVISORY COMMITTEE (CRLAC) functions to advise the towns of Acworth, Alstead, Langdon, Lempster, and Walpole, New Hampshire on the protection and enhancement of the Cold River and its tributaries and maintain the health of the river environment.

Activities during 2018 included:

Membership: effort to add members from Lempster, Langdon, and Acworth have not been successful.

Website: In 2018 the CRLAC totally revised our website (through the help of an Antioch New England student, Jennie Friedman). The site can be visited at the following web address: coldrivernh.weebly.com. The committee hopes that the site will be shared with both locals and visitors. Please contact the committee with suggestions on content or ways to spread the word about the website.

Water Quality: This year the LAC recommitted our effort to accurately test six sites along the Cold River. The LAC received training on site from Andrea Hanson VRAP/DES in the spring. The group also did a second testing in August. Five tests are conducted at each site including temperature, pH, dissolved oxygen, turbidity, and conductivity. The results are sent to DES to be added to the Clean Water Act report written every two years. All indications are that the Cold River is very healthy.

The CRLAC co-sponsored a library presentation in Alstead that allowed adults and children to explore the Cold River while learning about the complex ecosystem and its inhabitants. It was a wonderful time with about 30 children and adults joining us.

New Hampshire Department of Environmental Services’ Instream Flow Program has announced that the Cold River and Warner Brook will be the next designated rivers for protected instream flow development.

Respectfully Submitted,

Shawn Bowman (Acworth), Dick Aikin, Mitch Harrison, Betsy Stacey, Shawn Stevens (Alstead), Catherine MacDonald (Langdon), Fred Ernst (Chair), Gary Speed (Walpole).
Transfer station in 2018 saw significant changes in our recycling prices for 2018. Our co-mingle is now $55 ton as in 2017 it was $30 ton. Our mixed paper is now $45 ton as in 2017 it was $25 ton. These are now cost to the town. Cardboard is still a revenue of $30 as in 2017 it was $77.50 a ton. Our aluminum cans are remaining at $.45 lb. Our MSW increased to $72.50 ton from 2017 of $70.00 ton. C&D remained $75.00 ton. Our recycles increased for the year. We recycled 246.52 ton of recyclables up from last year which was 182.46 ton. Our MSW and C&D went down for 2018 we shipped 785.44 tons as in 2017 we shipped 866.07.

We would like to thank everyone for their patience with the changes we made due to increases in pricing. Like to thank the staff at the Transfer station for all their help. Shaena Hakey, Ida Aiken, Robert Esslinger, Patricia Anderson, Jeremy Powers and Mike Elliott Jr.

Respectfully Submitted,

Jodi Kercewish
Alstead, NH

Congratulations for being such active recyclers!

Below please find information on the positive impact your recycling has had on our environment.

The recyclable materials listed below were sent to market to be remanufactured into new products through your non-profit recycling organization, the Northeast Resource Recovery Association.

<table>
<thead>
<tr>
<th>Recyclable Material</th>
<th>Amount Recycled In 2018</th>
<th>Environmental Impact!</th>
</tr>
</thead>
<tbody>
<tr>
<td>Aluminum Cans</td>
<td>9,200 lbs.</td>
<td>Conserved enough energy to run a television for 936,560 hours!</td>
</tr>
<tr>
<td>Electronics</td>
<td>4,436 lbs.</td>
<td>Conserved enough energy to power 0.6 houses for one year!</td>
</tr>
<tr>
<td>Paper</td>
<td>95.6 tons</td>
<td>Saved 1,627 trees!</td>
</tr>
<tr>
<td>Tires</td>
<td>6.5 tons</td>
<td>Conserved 4.3 barrels of oil!</td>
</tr>
</tbody>
</table>

Avoided Emissions:

Recycling uses much less energy than making products from virgin resources, and using less energy means fewer greenhouse gases emitted into the atmosphere.

By Recycling the materials above, you have avoided about 369 tons of carbon dioxide emissions This is the equivalent of removing 78 passenger cars from the road for an entire year.
