Announced Recording

Reviewed and signed the manifest

Reviewed the minutes. The minutes were amended and approved unanimously with changes.

Jesse presented on the ambulance squad. Discussed his and the possible need (future) for a town UHV. Tim recommended we look within the community first before considering a purchase.

We discussed the Boston Cane. It was agreed that one of the Selectmen would present the cane and a certificate, then return the cane to the town offices.

The proposed description for the Transfer Station Committee was reviewed. No changes were made, and the description would be used for form the committee. The AABC will be provided with a copy.

The proposed letter to be sent to abutters to town property that will be put up for sale was reviewed. No changes were needed.

Vilas Pool as discussed. The gate should be closed, the chain raised and the upper area needs brush hogged. Tim and Chris will stop by the town garage at 7:30 AM 5/18/2016 to discuss this with David.

Progress was reported on the village Neighborhood Watch.

The meeting was adjourned.
