APPLICATION FOR A SPECIAL EXCEPTION

Description of proposed use showing justification for a special exception as specified in the zoning ordinance article____________section__________________________________________________
______________________________________________________________________________

Explain how the proposal meets the special exception criteria as specified in Article VII Section G of the Town’s Zoning Ordinance:

Criterion a - The proposed use is in an appropriate location by virtue of the adequacy of public roadways and the nature of surrounding development and land uses: ________________________________________________________________
______________________________________________________________________________

Criterion b – The granting of the Special Exception would not reduce the value of any other property in the area, nor otherwise be obnoxious, injurious or offensive to the neighborhood:__________________________
______________________________________________________________________________

Criterion c – No nuisance or hazard to vehicles or pedestrians will result from the granting of the Special Exception: __________________________________________________________________________________________

Criterion d – Adequate and appropriate facilities will be provided for the proper operation of the proposed use: __________________________________________________________________________________________

Criterion e – Additional reports or studies may be required by the Board including, but not limited to traffic; High Intensity Soil Survey; parking; stormwater, erosion and sediment control; and fiscal and environmental impact analyses (the Board to determine).
