Dear Alstead Residents,

While the risk for widespread community transmission of COVID-19 in Alstead and Cheshire County remains low, the priority of the Alstead Select Board is to ensure the health and safety of those we serve. To this end, the Select Board, along with our Emergency Manager, our Health Officer, and our Police, Fire, and Ambulance departments, is staying apprised of the situation in New Hampshire as it unfolds.

In hope of flattening the pandemic curve, we ask our Alstead neighbors and friends to please:

- Stay home.
- Work from home, if you can.
- Wash your hands frequently and well (20 seconds).
- Reach out to your neighbors to offer support, such as running errands or picking up medications.

**ABOUT TOWN SERVICES**

- Alstead Town Offices remain open during regularly scheduled hours.
- The Select Board recommends and encourages all residents to use the online options for registrations with the Town Clerk/Tax Collector’s Office. Town Clerk/Tax Collector telephone # 835-2242.
- The Planning Board and the Zoning Board April meetings are cancelled.
- The Conservation Commission meetings are suspended until further notice.
- The Select Board will continue to meet every other Tuesday. The state is encouraging towns to triage agenda items. In this light, only essential Town business will be on the agenda. Residents have the right to attend these meetings. We encourage you to participate by conference call. The call-in number is 978-990-5000. Access code #539083. This may change so check the website for any updates.
- The Police Department continues normal operations. Residents are asked to call, instead of stopping by. Telephone # 835-6277.
- The Shedd-Porter Memorial Library’s closure follows the Governor’s order to close all schools until April 6th. Whenever Alstead Public Schools are closed, our library is closed.
- The Vilas Pool Park is suspending all meetings and activities until further notice.
- The Town Hall is closed for three months due to renovation.
- The Friendly Meals congregate meals at the Town Hall are cancelled. Meals on Wheels continues to deliver.
- The Recycling Center-Transfer Station is open as regularly scheduled. The Thrift Store is closed.
- The Highway Department continues normal operations.
- The Fire Department continues normal operations.
- The Ambulance continues normal operations.
